Registrarsi per ottenere il PIC

The screenshot shows the 'Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal'. The navigation menu includes 'HOME', 'ORGANISATIONS', 'CREATE', and 'SUPPORT'. The 'ORGANISATIONS' link is circled in red. Below the navigation, the page is titled 'Register an Organisation'. It contains the following text:

To participate in proposals and projects, you must register your organisation first.

After registration, a unique identifier is assigned to your organisation.

This is the 8-digit PIC (Participant Identification Code) number that will be used as a reference by the Commission in any future interactions. A single registration is required for each organisation in the system.

Organisation Registration

Please keep the legal data of the organisation and programme related information at hand. You can check the information you will need for the registration in the documentation of the call for proposals. Please note that you have to register your organisation before submitting a project application.

You can pause the registration process at any time and continue it later. The system automatically saves your draft registration and will keep it until you complete it or for up to one year at the latest.

At the bottom of the page, there are two buttons: 'REGISTER ORGANISATION' and 'RESUME REGISTRATION'. The 'REGISTER ORGANISATION' button is circled in red.
