

OSNOVNA ŠOLA DOBRAVLJE

12TH ART CONTEST
FOR CHILDREN

»BE LIKE A BEE«

VIR. <https://www.etno-muzej.si/sl/digitalne-zbirke/panjske-koncice/630ju0007812>

We are a school that lives in nature and with nature. There is a beehive standing next to our school. The beehive front that is the motif of our art contest, originates from the history of Slovene beekeeping. It is the traditionally painted wooden board that closes the beehive. The beekeepers use them to tell the hives apart. Traditionally, the motifs are religious (Adam and Eve, Job etc.) and profane (Devil sharpens a woman's tongue, Miller and his wife, Woman's mill etc.). **To you, however, your own imagination is your only limit!**

The organizer keeps the artworks that qualify for the exhibition, but only uses them for the activities, related to the contest as well as its promotion. By entering the contest, the author and the teacher allow OŠ Dobravlje to publish the reproduction of the work, together with the information about the author, teacher and school. The information will be published at the exhibition, in the catalogue, on the school's website and in other media.
